

Luminaria Solar LED 3200 Lúmenes para Poste de Alumbrado

Catálogo: www.dmu.cl

Baterías, UPS, Inversores, Cargadores, Instrumentación y mucho más...

Quick Details:

- Light Source: LED
- Item Type: Street Lights
- LED Light Source: SSC
- Input Voltage(V): DC12/24V
- Lamp Power(W): 20
- Lamp Luminous Efficiency(lm/w): 160
- CRI (Ra>): 85
- Color Temperature(CCT): Pure White
- Working Temperature(°C): -15 - 45
- Working Lifetime(Hour): 500000
- Lamp Body Material: Aluminum Alloy
- IP Rating: IP68
- Certification: BV, CE, FCC, RoHS, SASO
- Warranty(Year): 3

- Battery: 1500 cycle Li-ion battery, 10 years span life.
- Model Number: SSL-32
- Type: 20W All in One
- Solar Street Light Mounting Height: 5-7 meters
- Solar Charging Time: 10 hours by bright sunlight
- Lighting Time: 7 Nights +
- Feature: 10 cloudy days still lighting
- Main Function: PIR Motion Sensor for Energy Saving
- Lighting Mode: 3 Lighting Mode for choosing
- Application: Highway, Street, pathway, Parking
